PUBLIC NOTIFICATION

The public is hereby informed that the toilet facility at Jichulum Market is temporarily closed due to blockage of the Hume pipe, resulting in water accumulation and submergence of the facility.

The Dzongkhag Administration, Punakha, in collaboration with the Regional Office of the Department of Surface Transport (DoST), Lobesa, will undertake the necessary rectification works as soon as site conditions permit.

Travellers along the Thimphu–Wangdue Primary National Highway are requested to use toilet facilities at other points along the highway until further notice.

The Dzongkhag Administration regrets the inconvenience caused and appreciates your understanding and co-operation.
